We have had numerous enquiries from all over the country that there are large areas where BOUNCE, PEACHES, 50+, AMAZONS, are apparently unobtainable. We, of course would like to remedy this. Your local newsagent selling popular top shelf magazines, could help by requesting supplies from their wholesaler. It is possible that they have not seen or heard of our magazines as yet.

- **a frank discussion of sexual topics can lead to a deeper understanding of the sexual needs and problems which both men and women may face.**
- **the vast majority of mature men and women are interested in learning about the sexual experience of others, and should be allowed to learn more on this subject.**
- **sex between consenting adults, including lesbians and homosexuals, is a vital personal freedom.**
- **this freedom should extend to the right to discuss sexual matters frankly, both verbally and in print.**

We try to carry out this philosophy in an adult, responsible way. BLACK AND WHITE

I met Liz at a conference. Being the only two women there we immediately gravitated together. We discovered that we were very compatible and became firm friends in a very short time. All the men kept on pestering us.

I suppose the contrast between us was fascinating. I'm tall, well proportioned and blonde, she's small and black with the biggest bosom I'd ever seen on a slender girl. She looks like a black version of Dolly Parton.

On the last night they had a booze up and the men got quite out of hand and we fled to her room. We had quite a lot to drink as we vented our disappointment with the male sex. We were lying on the ultra-thick carpet in front of a fake log fire. She was on her back and her dress had ridden up to reveal almost all of her sensational ebony legs and as she moved I caught glimpses of the triangle of white material that hid her love box. I was staring and weird thoughts were flooding my brain.

I was wondering what she'd look like naked and whether she was passionate when she made love. I wondered whether black girls' pussies were different to mine. Although I knew that she was watching me I couldn't tear my eyes away from her lithe thighs.

She reached out and touched my hip and I reacted as if I'd been touched by an electric prod. She looked surprised at my reaction. My heart was beating like a drum as I tried to swallow. Her hand caressed my hip, my waist and then, before I could stop it, it sneaked into my blouse and cupped a braless breast. Immediately the nipple reacted by getting hard and punching against the palm of her hand. I blushed right to the roots of my hair as my body started trembling.

Effortlessly she pulled me against her as her hand kneaded my naked breast. Her mouth explored my neck. She nibbled and kissed it before moving to my ear. I was shivering and couldn't stop gasping out loud when she ran a hand silkily up the inside of my thighs. She didn't hesitate but pushed aside the gusset of my panties and ran a finger along my slit. The lips peeled apart like a ripe fruit, releasing the brimming juices.

I fell back as her hands grasped my panties and pulled them right off in one smooth motion. I couldn't believe that it was happening and that I was allowing it as I felt the carpet tickling my bare behind as she pushed my legs further apart. Then I felt her tongue beginning to probe hotly between my vaginal lips and couldn't hold back a moan of delight. I grasped her head as her tongue began to flick harder and faster, ever deeper inside my hole. I felt the juices begin to seep out to be collected by her busy tongue. Somehow her hands had undone buttons and zips, undressing me and leaving me stark naked. She was still fully dressed. Her black hands were grasping my breasts, the fingers rolling and pulling on my nipples, their colour heightening the lewdness of the caress. My bottom was beating rhythmically against the carpet, as her tongue reached deep inside my sex or twisted round my throbbing clit. I was sobbing, my hips rising and falling, my fingers winding in her hair in case she tried to pull away.

However, she did pull away and rose to her knees.

Her hair was mussed, her eyes wild and her mouth glistening from my intimate juices. She stepped out of her clothes and I got my first look at the huge breasts. They sagged slightly which wasn't surprising considering their size but were still lovely and firm looking. The nipples were at least twice the size of mine. She leant over and kissed me on the lips. Her fat lips mashed mine as our tongues worked against each other and I could taste my own juices. Her dangling breasts brushed against mine and I felt our nipples clash as our hands explored each other's body. My fingers sneaked between her parted thighs and for the first time ever, I touched another woman's pussy. It was wet and partly open and seemed to suck my fingers inside.

We turned, twisted and she knelt over my face, her head between my legs. She lowered her hips and as her tongue was once more flickering round my pussy, she plastered her own pussy against my face. Her enormous breasts were spread over my tummy. Immediately I felt her juices cover my mouth. After a moment's hesitation I responded to her sensational lovemaking by sticking my tongue out and plunging it deep inside her pussy and by sucking her warm, sticky pussy juice into my mouth.

Somehow I'd always thought that a black woman's pussy was the same colour inside and I was startled to see just how pink it was.

The two of us worked hard trying to please the other. I felt the inexorable rise towards a climax as I quivered uncontrollably from head to toe and in a final blissful surge I arched right off the floor. She came almost at the same time and I felt her vaginal walls closing tight round my deeply embedded tongue. I don't think I'd ever come so hard or long before.

We lay, entwined for a few minutes, breathing deeply, enjoying the dying pulses of orgasm. I should have been

feeling guilty and debased but to my surprise, for the first time in ages, I felt happy and contented.

We sat up and she poured us a drink, then she stepped behind me and slowly began to massage the tenseness from my neck muscles. Her touch was divine and as I sat up and sipped my drink, I was conscious of her hands moving slowly down from my collar bone until they were caressing the upper slopes of my heaving bosom. My breasts, shifted, swaying from side to side, the nipples quivering and hardening, as the flesh wobbled. I felt heat invading my body as she worked her fingers even further down the creamy slopes until she was able to tease the quivering nipples. I closed my eyes and gave myself up to the intense pleasure that had invaded my whole body. Her immense breasts were plastered against my back like two warm water bottles.

She slipped round and fell to her knees. She pushed my thighs apart and I felt myself melting inside as she kissed, licked and nibbled slowly up my inner thighs, sending quivers of delight flickering through my loins. My thighs were twitching, as she lingered over the tender flesh.

I was looking down watching what she was doing. The blackness of her skin made mine look even whiter. A perfect study in black and white and I wished that someone could take photos of our coupling.

She stuck out her tongue and just touched my pussy with the tip. I was shuddering and discovered that I was urging her, in a strained voice, to please make me come again.

She relented her teasing and begun lapping at my slit with regular rhythmical

motions, her thumbs holding the outer lips wide open, exposing the inner folds of my pussy. She tantalised me by licking her way all around my clit with the tip of her teasing tongue, now and then letting the writhing organ burrow into my hole to lubricate her tongue. She teased me for a long time and I was strung up tighter than a guitar string. I was almost climaxing but she wouldn't let me. She was teasing my bum hole with the tip of a wet finger.

All of a sudden my clitoris was being sucked between her full lips and the tip of her tongue was lashing it from side to side. I came off like a moon rocket!

I think I screamed as my hands clutched her head and kept her face pressed into my pussy as the biggest, most powerful orgasm I'd ever experienced flashed through my straining body. It seemed to last forever and I almost passed out before it slowly abated.

She gathered me in her arms and cuddled me against her. My cheek rested on her warm breasts. I felt at pace and completely relaxed.

I spent the night in her bed and we made love again before falling asleep and again first thing in the morning. We have kept in touch and see each other about once a month and our love-making is still sensational.
