We have had numerous enquiries from all over the country that there are large areas where BOUNCE, PEACHES, 50+, are apparently unobtainable. We, of course would like to remedy this. Your local newsagent selling popular top shelf magazines, could help by requesting supplies from their wholesaler. It is possible that they have not seen or heard of our magazines as yet.

Please give us your support.

THE PUBLISHERS of this magazine believe that:

- **sex is a precious, exciting part of life which every adult should be able to enjoy fully, both physically and emotionally.**
- **a frank discussion of sexual topics can lead to a deeper understanding of the sexual needs and problems which both men and women may face.**
- **the vast majority of mature men and women are interested in learning about the sexual experience of others, and should be allowed to learn more on this subject.**
- **sex between consenting adults, including lesbians and homosexuals, is a vital personal freedom.**
- **this freedom should extend to the right to discuss sexual matters frankly, both verbally and in print.**

We try to carry out this philosophy in an adult, responsible way. We will not promote or condone sexual activities which are unlawful or could be harmful: such as underage sex, incest, bestiality, necrophilia — or any other form of sexuality which may cause severe pain or physical and psychological injury.

THIS MAGAZINE is sold subject to the following conditions: It shall not be lent, re-sold, hired out or otherwise disposed of by trade without the prior written consent of the publishers, except at the full retail price shown on the front cover. It shall not be re-sold, hired out or otherwise disposed of in a mutilated condition or in any unauthorised cover by way of trade or attached to or be part of any publication or advertising, literary or pictorial manner.

VOYEUR

I could see into the room through a chink in the curtains. There was light enough for me to see the occupants of the large double bed. My wife and a younger man, both totally naked!

Judy was sitting on the edge of the bed with her beautiful, gigantic, conical breasts pointing toward him, the nipples, as always swollen. Her slim legs were wide open so that I could see the bushy triangle of thick black hair. It was as if I'd never seen her before and she was a stranger. Her beauty took my breath away. Her lovely legs, small waist and extremely large breasts which had first attracted me seemed even more alluring in this context.

Although tortured by jealousy and furious, hurt by unfaithfulness, part of me was very curious to see what would happen next. So I stayed where I was and watched, instead of rushing in and stopping them going further!

The young man sat calmly next to her as she slid to her knees and picked up his semi-flaccid penis in her slender fingers. She looked at it before flicking her tongue out to lick the small aperture on the top of the knob. He twitched, looking down at her while she took half of his cock into her mouth. She began to bob her head up and down, slowly and the penis disappeared entirely, then emerged glistening and shining with her saliva, as far as the base.

He closed his eyes, he had begun to breathe hard. I well knew how he was feeling. My wife is an expert cocksucker who loves nothing better than spending a long time practising her fabulous skill on a hard cock. Up to this moment I'd believed that it had only been my cock!

He was obviously excited from watching his cock pistoning in and out of her mouth. Suddenly I realised just how large the man's cock really was. Her lips were fully distended and her cheeks puffed out as the crown slipped deeper inside her mouth.

My wife released his cock and stood up. I could now see the man's red and pulsing cock sticking out at right angle from his groin. It was enormous!

I'd never seen anything like it before. It was the size of her forearm with a head that resembled a fist. How could she have taken so much of it in her mouth?

He slipped back into the bed with his head on the pillow. Her mouth returned to his cock and I saw her using her tongue to lick up and down the shaft, making the cock quiver as it became coated with her drool.

She knelt up and the cock reared up, thick, long, the crown glistening with saliva. She straddled him, her cunt poised over the head of his cock. I expected her to lower herself down on him, till all of his cock was lodged inside her but she allowed only the head to penetrate before stopping. She crouched there for a short while, her cunt lips stretched wide by the head of his cock. She shook and I saw her eyes roll back and I realised that she was already experiencing an orgasm.

She calmed down and lifted herself off the cock, which was still upright. There was a ring of whiteish, thick cream, like a collar round the top of the shaft, just below the knob. She twisted round to straddle him again this time facing away from him.

She slipped her hand down between her legs to grab his upright cock and steer its head between her cunt lips again. This time, however, she let her weight slowly guide the cock into the depths of her cunt. Once the head was engulfed, she again stopped.

She stayed poised and her cunt lips were so stretched apart that I could see that her clit was being pushed upward to rub against the junction of her cunt lips. She slipped a hand down and delicately started to roll her clit from side to side as she eased herself down on the cock, driving it all the way up her cunt. Her eyes were closed and there was an ecstatic expression on her face.

She moved herself up and down the shaft, little moans and grunts issuing from her open mouth. He seemed to be content to let her do all the work. The only sounds in the room was her voice, the squeak of the bed springs, their harsh breathing and the liquid sloshings as she slid up and down on his cock like a well oiled piston.

I heard someone approach so quickly slipped away. I decided I had seen enough. I went for a drink and met Sue, my wife's sister. It was she who'd told me that my wife was having an affair. We had a couple of drinks and seeing how down I was she coaxed me into going back to her flat. Her husband was away.

She disappeared into the bedroom and came back wearing a thin negligee that clearly revealed that she wasn't wearing anything underneath. I was sitting down on the couch, she handed me a drink. She stood over me and when she bent down to pass me the glass, one of her breasts slipped out of her robe and hung only a few inches from my mouth. It was as large as my wife's but softer, rounder without the firmness of Judy's tits. The nipples were surrounded by a wide aureole.

Before I could guess her intentions, she kissed me and thrust her tongue into my mouth and let it roam over my tongue, teeth and gums while she undid my trousers with one hand and fished my cock out and began to stroke it with her cool fingers. Despite myself, I responded. My cock began to swell and I returned her kiss. It had happened so quickly that I'd had no time to think of resisting my sister-in-law.

She broke the kiss and replaced her lips with a nipple which she pressed against my mouth. It grew even larger and hard in my mouth. She withdrew it and put the other one in its place between my lips. I sucked on it and it grew large. She managed to remove my shirt so that she could kiss my nipples and stroke my chest with the tips of her fingers. She slowly traced her tongue down my stomach, working it back and forth, dipping the tip into my navel, while her hands got rid of my trousers and underwear.

Once I was naked and after she'd shrugged off her only garment, she pushed me back so that I was lying on my back, she resumed kissing and licking my stomach. My cock swelled even harder. In my mind I was seeing the way my wife had gone down on that man's enormous cock. I hated her for cheating me but it seemed far away as the pleasure that her sister was creating melted the image. I suddenly realised I was about to do what my wife was doing in another part of town.

When I felt her lips closing around my balls, I was flooded with hot sensations driving any other thought out of my mind. The warmth spread from my balls outwards but mainly into the base of my cock. When it oozed into my cock, it caused it to swell to its maximum size so that it rose straight and hard like a flagpole.

She freed my balls from her sucking and lowered her head over my upright cock. Her lips clamped softly and wetly around the head and she used the tip of her tongue to explore the surface and the tiny slit. I

groaned and could not repress the heave of my hips upward to drive my cock deeper into her mouth, she moved her head back so only the crown stayed in her mouth. I groaned with disappointment but realised that she was trying to give me the utmost pleasure. She continued to suck on the crown and occasionally to move her head up and down so that some of my shaft penetrated her mouth. She was dribbling her saliva down my shaft and I could feel it gathering at the base of my cock. The warmth in my groin had become a raging fire that filled my cock from the tip to my balls.

Suddenly she let my cock slip from the constraint of her lips moving up to smother it with her dangling breasts. Her hands each grasped a breast and pressed it against my straining pole. She rolled her breasts round my cock, the saliva allowing easy movements. Then she got up and turned round, presenting her egg-shaped buttocks with the deep cleavage to my eyes. She squatted over me and reaching down grasped my quivering shaft. She guided the head to her cunt and lowered herself down on to it. It glided between warm, slick surfaces until the flesh of her buttocks was pressing against my groins. By craning my head forward I could see everything as she lowered and raised herself slowly several times. I knew it wouldn't take much to make me come.

She stopped on an upward stroke, leaving just the head of my cock inside her cunt. I could see her cunt cream slithering down my shaft to join the saliva pooled in my pubic hair.

After a few seconds, she began to move up and down my cock again. Heat and pleasure filled my entire body as she increased her slidings up and down my hard pole.

There was a moment of blinding light, a spur of almost painful intensity rasping against my pleasure nerves, and I exploded. It was as if I was emptying myself into a glove of wet,

pulsating flesh that milked every ounce of pleasure and spunk from my cock.

I'd never come so hard and so fully. She sat on me for a while, rotating her cunt round my cock before she spun round so that she was facing me. She was smiling broadly as she bent from the waist and kissed me on the lips, her dangling breasts brushing against my chest. She got off me, reached down and tenderly fondled the shaft of my cock. I kissed her lovely breasts all over, paying a lot of attention to her engorged nipples, sucking each one repeatedly into my mouth while my fingers massaged her orbs.

I made my way down her body and licked along the hairy slit, putting the tip of my tongue in between her lips and running it up and down. I pressed the tip against the hard hub of her clitoris, ran it back and forth slowly then more swiftly. She heaved her bottom off the couch as her hands pulled at my hair while she climaxed with a fierce cry.

When I emerged from between her legs, I slid up her and smeared her swollen nipples with her own cunt juice.

She kissed me then licked my testicles before running her tongue lightly along the shaft of my cock and taking the swollen head between her lips. My cock swelled as her lips moved noisily up and down.

I pushed her away, got on top of her and eased my swollen cock into her slit until our pubic hair were crushing together. I lay there for some time, luxuriating in the heat and moisture of her flexing cunt. Her vaginal muscles squeezed around my hardness, gently massaging it. My chest was cushioned by the soft pillows of her titanic breasts.

I began to thrust, slowly at first and then more swiftly as she responded. I hammered her with my full weight for quite some time as she had one orgasm after another. Her eyes were closed and her head rolled from side to side. She was groaning and

weeping, her hands clawing my back. Her tits rolling across my chest.

Suddenly her body arched off the seat, until she was supporting my full weight with just her shoulders and feet planted on the couch. I rotated my hips to give my cock a twirl inside the tight glove of her cunt.

Her arms had wrapped themselves round my back and were holding me in a vice-like grip. She gave every sign of experiencing a massive orgasm that finally overwhelmed her. She sank back. Her cunt was so tightly round my cock that I exploded inside her pussy. The intensity of my orgasm was such that I almost passed out.

Panting I lay for a while on top of her sweaty, inert body, luxuriating in that state between passion and exhaustion, cushioned by the warm, living flesh of her amazing tits.

I got off her and we talked and I told her what I had seen. Funnily I no longer felt hurt by my wife's infidelity, instead I felt the stirrings of excitement as I described in graphic detail what I had seen. I went home, had a bath and waited for my cheating wife to come home.

She breezed in, looking radiant, threw her arms around my neck and kissed me lustily. I could feel that she was really pleased to be home and have me there. I was confused!

She was leaning against me, her perfume seemed to soak into my pores. I felt my cock swelling. I realised that I wanted her more than I'd ever wanted anybody before.

I reached down and ran a finger down her cleavage. My fingers slid between the cloth and breast and rubbed over the nipple. It swelled, she shuddered, lifted her face up and kissed her, slipping my tongue inside her mouth. She fumbled with my zip then her fingers found my throbbing shaft. I unbuttoned the front of her dress. She wasn't wearing any underwear and for a moment I wondered whether she'd gone like that to meet her lover or whether she left them behind . . . I bent over and took a nipple in my mouth and began sucking. She was breathing as hard as I was.

She pulled away and slid the dress off her shoulders. The light gleamed on her silky flesh, on gleaming wet nipples and the dark triangle of pubic hair that glistened with wetness. She kicked her shoes off.

I took her into my arms and kissed her again, ran my fingers down her back, feeling the rippling muscles, the inward curve of her waist and the outward flare of her hips. I sank down to my knees. She put her hands on the back of my head and pulled it against the crisp bush, and automatically I slipped my tongue out and inserted the tip just below the opening of the thick lips and tickled the clit. She moaned and clutched me tighter against her.

I slipped my tongue further down till it was dipping into overwhelming wetness. I swallowed some of the brew before I realised that she had not bathed after being with her lover and that it was his spunk that was filling my mouth. For a brief instant I felt sick to my stomach then something strange happened. I developed an overwhelming hunger for that blend of cunt juice and spunk and I plastered my mouth against her cunt and sucked. My mouth immediately filled with thick, warm slimy cream that slithered down my throat. I swallowed it and went back in search for more. Knowing that I was swallowing her lover's spunk must have been as exciting for her, because she climaxed and her hands pressed my face even harder against her. I swallowed mouthful after mouthful before she released my head.

I stood up, sliding my tongue up from her cunt and along her stomach and up to a nipple, which I began to suck again. I pressed her backwards until the back of her knees hit the sofa. She collapsed on it, her legs

sticking out, her heels resting on the carpet. I slipped down to my knees again and licked her clitoris once more then thrust my tongue again and again into her vagina. She twisted her pelvis a little encouraging me to dig deeper. I slipped a finger inside her cunt and another finger of the same hand in the other hole and then, working the hand slowly in and out, rubbed my tongue all over her clitoris before tongue fucking her while my fingers increased their plungings.

She came with a scream and a sudden tightening of her thighs around my head. The grip was so strong that I couldn't move away.

Finally she relaxed and I filled my lungs. She pushed me down on the carpet and ran her tongue along my stomach and closed her lips around the head of my cock. She slid my cock back and forth in her lips a couple of times and that was all I needed. I burst into her mouth.

I lay there, feeling as if the tide in me was spilling out into her sucking mouth. I cupped her dangling breasts in my hands while she vacuumed my cock. She straightened up and opening her mouth allowed a stream of my spunk to dribble down unto her heaving breasts. I used my fingertips to massage the sticky goo into her heated skin and hard nipples.

We cuddled then went to bed and made gentle, tender love. I'd never come as many times as I did that day. It took me days to recover.
